Re : Announcement on the impact of Japanese disaster

Dear Partners and Customers

We are all lost in a deep grief over the the irresistible disaster occurred in Japan last week. We would like to offer sincere words of consolation to Japanese people and to pray everything could be restored as soon as possible.

It is to inform that Samsung LED, however, has not been damaged from this occasion in terms of production and product supply and we will spare no efforts to maintain the stable supply of products to partners and customers.

Therefore, we kindly request you not to have any concerns on the stability of SAMSUNG LED's support to your business.

Should you have any questions, please contact us at anytime.

Sincerely yours,
