

Letter of EOL

(Notification on termination of LED Product)

** Dec.2011

To whom it may concern

It is to inform you that Samsung LED(we, us, the company) plans to execute EOL process for the LED product (all of MP52 Color LED) in order to provide more advanced products as well as to manage more efficient product portfolio.

We sincerely appreciate your usage of our product that will be terminated, and your understanding on any inconvenience caused by redesign requirement due to EOL. We hope that this timely notification allows you to complete most existing projects using your current designs and to review our advanced products. Please kindly note that, if EOL is occurred prior to the expiration of the warranty period, at our option, we may provide replacement parts to you.

Should you have queries and special requirements, please feel free to ask your SLED representative.
