

Product End of Life (EOL) Notice (Notification on termination of LED Product)

Nov.2011

To whom it may concern,

This letter is to inform you that Samsung LED (we, us, the company) plans to execute an End of Life (EOL) process for all MP52D (5252 s2) LED products (see below for specific part numbers). After a thorough review of our existing product offering we have made the determination to discontinue these products in order to provide you with more advanced products while more efficiently managing our product portfolio.

We sincerely appreciate your use of these terminated products, and your understanding on any inconvenience caused by this termination. We hope that this notification allows you time to complete existing projects using your current designs and shift future designs to one of our other advanced solutions. Please note that, if EOL occurs prior to the expiration of the warranty period, we reserve the right to service this warranty with replacement parts.

Please contact your Samsung LED representative with any questions or concerns regarding this matter.

EOL Devices

Family	EOL List & Categories
Middle Power LED	MP52D(5252 s2) SPMWHT520AN2***** SPMWHT520AN5*****

* Last Time to Buy Order (may not be canceled): ~ 29.Feb.2012

* Last Shipment : ~ 31.May.2012

Thanks for your understanding and we look forward to working with you on other alternatives of Samsung's LED products.

Samsung LED Co., Ltd.
